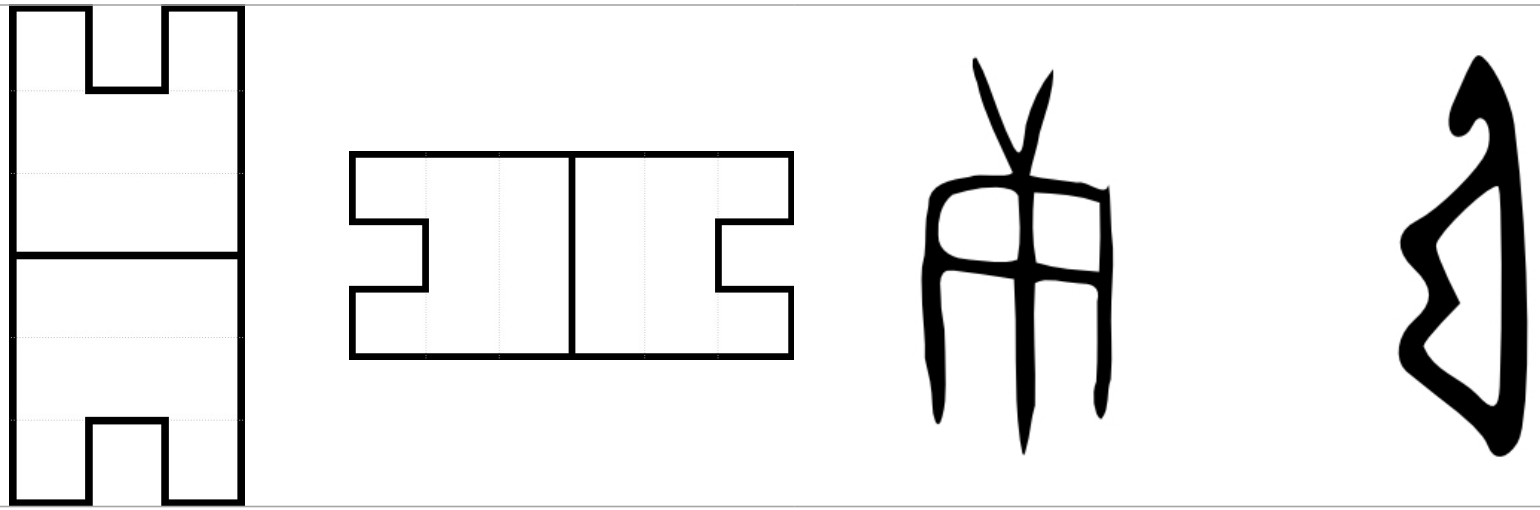
Degree 27 - Sign 28 Greatness Exceeding



TRANSCENDING: WOOD, RECEPTIVELY GROWING WITHIN A LAKE OF JOY

When I am trees growing and lowing in the wind and water pooling;

Then I am developing my virtues, tasks, and affairs in ways that greatly exceed the ordinary.

Inside, I am deciphering and filtering the wisdom of heaven's leading impulse (grasping the slightest excess and re-centering to include or exclude it); and

Outside, I am stretching tight and loosening earth's heavenly yield (fully developing without ever exceeding my principles).
